Frequently Asked Questions

Q1: I am not happy with my Annual Salary Revision and want to have a discussion on the same.

A: Please get in touch with your respective Manager for a discussion on your salary revision.

In case you are not satisfied with the response, please feel free to take it up with your respective People Partner for a next level discussion.

Q2: My manager gave me a higher increment, however, that is lowered in the final number as per my letter.

A: A likely reason for the issue might be budget overshoot at a Unit-Level resulting in normalization by Unit-Head. Your manager is involved in the decision of finalizing your hike. However, the final hikes must be in line with the overall budget. All salary increases recommendations within an account and unit need to be within the budget allocated to it. You may get in touch with your Manager and People Partner to have a detailed discussion regarding the same.

Q3: Do I need to save a copy of my Annual Salary Revision letter, or will it be always available on the portal?

A: The portal has bandwidth restrictions and hence the letter will be available on the site for a duration of 1 month. We would urge you to please save a copy for your future references.
